

Knotted Knit 2 Together Bind Off

The Knotted K2tog Bind Off alternates a standard bind off with a bulky one. It's the contrast between the two that creates the pretty nubby edge.

Prior WSR: *k1, p1* (if odd # sts then k1 more)

Getting Started

- ▶ If 2nd st is a purl st, start with a purl bind off (photos #1 - 2)
 - k1, p1, pass stitch over (normal bind off in pattern).

In future purl bind offs, there will already be a st on the right needle so just p1, pso. (photo #8)

- ▶ If 2nd st is a knit st, start with a knotted k2tog bo
 - slip 2 sts to right needle, yarn forward, slip 2 sts back to left needle, move yarn around front tip, k2tog

On following knotted bind offs, there will already be 1 st on the right needle, so slip just 1 st to left needle (photo #3) before starting the wrap with a yo (photos #5- 8)

#1: If 2nd st is a purl work a standard bo in purl

#2: k1 (1st time only), p1, pass st over to bind off

#3: When next st is a knit work a knotted k2tog bo

#4: Slip next st to right needle to set up for wrapping 2 sts.

#5: Move yarn to front

#6: slip both sts to left needle

#7: move yarn to back around the front tip

#8: k2tog. Next st is a purl so p1, pass sl over.
